To Whom It May Concern:

It is my pleasure to write this letter of recommendation for **Todd Herzog**.

From the first time I heard him perform, I knew I would be a fan. Little did I know that I would also find a friend and a trusted colleague.

Todd has the voice of an angel. His heart is pure, and he has a unique spirit that wanders into the soul and inspires all who are privileged to hear him. He connects with his audience in such a way that they feel as if the songs were written only for them.

I highly recommend Todd not only as an entertainer but as a teacher and prayer leader.

Sincerely
