

December 10, 2010

Todd Herzog performed for the December 3rd, 2010 shabbat service and Hanukah dinner for Temple Emanuel in Grand Rapids, MI. Todd's solo performance entertained audiences both young and old. **I haven't heard anything this mature or heartfelt in a very long while. He is a generous and significant gift to the American Jewish community.**

But.....Todd doesn't come as a package by himself. The energy behind his success is his lovely wife Karen. She is a joy to work with and an organized dynamo. Although she may not travel with Todd at performances you can feel her spirit with him.

What you will remember the most about working with this duo is their warmth and consideration. It is truly an honor to work with them as they "build their bridges".

Shalom,
