verse 2:

The colors of your palette
 Your canvas filled with greens
 The strokes of your emotions
 I see you in my dreams
 Now the rose has finally opened
 The petals filled with light
 Now the vase is no longer broken
 The thorns are out of sight
 And your laughter lifts me up above my tears
 I can hear you whisper softly in my ear

If I only had the words
 To tell you half the things I feel
 You would understand the difference
 Between illusion and what's real
 And you'd finally have the courage to open up your heart
 'Cause you'd know that we could never be apart
